Virtual Info Day on the new EU Funding Programme for Research and Innovation

9 September 2021 | Online

»Horizon Europe«, the EU's key funding programme for research and innovation, was launched in 2021 and offers a wide range of significant funding opportunities. The Virtual Info Day will highlight the participation opportunities for scientists. All Scientists of the University of Jena and the University Hospital are welcome to learn more about the opportunities for research funding under Horizon Europe.

9:30–11:00 Opening

Prof. Dr. Georg Pohnert, *Vice-President for Research / University of Jena*
Dr. Thorsten Kowalke, *Service Center for Research and Transfer / University of Jena*
Annelie Zapfe, *Policy Officer at the Representation of Thuringia to the EU / Brussels*

Overview of Horizon Europe – Structure and Strategic Plan

Dieter Dollase, *KoWi / Brussels*

11:00–12:00 ERC funding opportunities. Starting, Consolidator, Advanced and Synergy Grants

Dr. Mareile Knees, *Service Center for Research and Transfer / University of Jena*
Prof. Dr. Jens Limpert, *Institute of Applied Physics / University of Jena*

12:00–13:00 MSCA funding opportunities. Postdoctoral Fellowships & Doctoral Networks

Vanessa Sooth, *NCP MSCA*

13:30–14:30 Health. Funding opportunities in Cluster 1

parallel sessions Claudia Weinmann, *Jena University Hospital's EU-Research Coordination / UKJ*

Kultur, Sicherheit und inklusive Gesellschaft. Fördermöglichkeiten in Cluster 2 & 3

Franziska Scherer, *NCP Gesellschaft*
Dr. Madeleine Holzschuh, *Service Center for Research and Transfer / University of Jena*

Digital, Industry & Space. Funding opportunities in Cluster 4

Dimitri Jungblut & Michael Gundlach, *NCP DIT*
Dr. Peter Stubbe & Dr. Adrian Klein, *NCP Space*

Climate & Energy, Bioeconomy & Biodiversity.

Funding opportunities in Clusters 5 & 6

Dr. Benjamin Sippel & Melanie Eichler, *Service Center for Research and Transfer / University of Jena*

14:30–16:00 Collaborative Research. Guidelines and Practical Insights

Dr. Uta Baddack-Werncke, *NCP Health*
Dr. Selda Ulutaş Aydoğan, *Faculty of Arts / University of Jena*
Prof. Dr. Lothar Wondraczek, *Otto Schott Institute of Materials Research / University of Jena*

16:00–17:00 EIC Pathfinder & EIC Transition. Funding opportunities on breakthrough technologies

Michaela Holz, *NCP EIC*
Prof. Dr. Silvana Botti, *Institute of Condensed Matter Theory and Optics / University of Jena*
Dr. Oliver Pänke & Melanie Eichler, *Service Center for Research and Transfer / University of Jena*

REGISTRATION REQUIRED
