Study fields

Available study fields for national and international students:

- 1) Physics, Mathematics and Engineering
- 2) Biological Sciences and Health
- 3) Social Science
- 4) Arts and Humanities

Spanish and Mexican Culture Courses for exchange students

Teaching Center for Foreigners (CEPE)

www.cepe.unam.mx

Exchange students have discounts in Spanish and Mexican Culture courses. These courses are not associated with the mobility program. Students will be given an assessment document at the end of the course.

Language courses

National School of Languages, Linguistics and Translation (ENALLT)

<http://www.enallt.unam.mx>

During their mobility stay, exchange students from partner universities can enroll in one foreign language course for free. Foreign language courses are not associated with the mobility program. Students will be given an assessment document at the end of the course.

Academic calendar and important dates

	Spring	Autumn
Academic calendar	January to June	August to December
Call publication	August	March
Nomination period	August	March
Application period	September	April
Results	December	June
Welcoming	January	August

Mobility application procedure

Nomination and application process is through the Administration System of Incoming Student's Mobility (by its initials in Spanish SGMEE). Access must be guaranteed to log in the System and postulate students (verify the corresponding call).

1. The International Office begins with the **nomination procedure** on SGMEE
2. The student will fill in with the required information and will upload the required documentation including:
 - a. An institutional **application letter** issued by the student's university supporting the request.
 - b. An **official certificate** of Spanish language proficiency, **level B2** (SIELE or DELE), when it applies.

The general requirements and those requested by the schools and faculties (**Specific requirements**) are established into the call. The registration instructions will be available at DGECI website together with the publication of the call.

Official Language

Courses are taught in Spanish. However, there are some courses given in English. For further information about courses in English, please click here:

<https://www.unaminternacional.unam.mx/archivos/doc/blog/asignaturas-en-ingles/asignaturas-ingles.pdf>

- For students whose native or instruction language is different from Spanish, an international and official Spanish Certificate in a B2 level CEFR (as minimum) is required.
- DELE Certificate (Instituto Cervantes) or SIELE Certificate (Servicio Internacional de Evaluación de la Lengua Española) can be found in various countries.
- The required certificate from SIELE are the 4 tests on SIELE GLOBAL Certification. These are the only approved certifications to warrant the language level. For further information: <https://siele.org/examen>
- For courses in English or other language, you must comply with the requirement determined by the corresponding academic entity.

Visiting Student

For visiting students with no university agreement, enrollment fees are:

- Tuition fee: \$250 USD.
- Semestral fee per assignment: \$275 USD.

Major Medical Health Insurance

Once students are admitted, they must acquire an International Major Medical Health Insurance. The insurance is compulsory to undertake their mobility stay and must be acquired in their home country before traveling to Mexico and must be registered in the system. The insurance must be valid during the mobility stay in Mexico. The insurance coverage must include accidents, medical attention for any type of illness, diverse medical support services, major medical health expenses, hospitalization, COVID-19 sickness and hospitalization, and repatriation of mortal remains. The insurance is not managed nor acquired through UNAM. Likewise upon arrival, you must pay a fee for an accident insurance (Field Practices) managed by UNAM (approximately \$220 Mexican pesos)

Lodging

There is no residence available for international students. Admitted students can consult approved lodging options by CEPE near the university campus. Students must register on:

<https://alojamiento.cepe.unam.mx/login.php>

Immigration Checkpoint in Mexico

Students must have a residence permit or a visa to study in Mexico. They must consult the corresponding Embassy or Consulate for further information about the procedure to obtain the adequate migratory status.

Useful information

Approximate mensual expenses (USD)

Lodging: 175 to 500

Nourishment: 300 to 450

Transportation: 40 to 60

Studying materials: the materials vary depending on the degree

Leisure: 80 to 160

UNAMigo Program offers support to our international and national students to get along with our volunteer UNAM students. Our local students will be their hosts during their stay. They will guide them along the campus, assist them in the school or faculty enrollment or other services, guide them about local transportation, food, accompany them in recreational and cultural activities offered by UNAM, DGECI or the schools or faculties in which they will carry out their mobility. To join the program they will be contacted prior arrival at UNAM.
